

**BLOOMINGTON-NORMAL AIRPORT AUTHORITY
BOARD OF COMMISSIONERS
PUBLIC POLICY COMMITTEE MEETING**

Report

Thursday, September 29, 2016

4:00 p.m.

Commissioner Sender called the meeting to order at 4:01 p.m. Commissioner Hanson, Executive Director Carl Olson and Executive Assistant Lynnette Hindman were present.

Carl Olson provided the Committee members with an update on federal issues impacting the Airport Authority including the status of FAA reauthorization, continued contract ATC funding, FAA AIP grant funding and ongoing conversations with congressional staff members.

Carl next updated the members on state issues impacting the Authority. These issues involved the status of the state's participation in capital projects, the new Grant Accountability and Transparency Act (GATA), the continuing challenges presented by the state's administrative and financial problems, the potential freeze on property taxes and different response options for the Airport Authority.

Continuing with a report on a number of local issues, Carl provided the members with the status of negotiations with the City of Bloomington concerning the new fire related intergovernmental agreements, the status of a new LEO agreement with the Sheriff's Department and the status of the PCSL Agreement.

As Commissioner Hanson was not a member of the Committee, at the time of the meeting, Commissioner Sender verified the report was a correct account of the meeting held on August 11, 2014.

There being no further business to come before the Committee the meeting adjourned at 5:42 p.m.
