

MAINTENANCE SUPERVISOR

The Central Illinois Regional Airport Authority is seeking the next leader of our Maintenance department as the Airport Maintenance Supervisor.

Under the general direction of the Deputy Director of Operations and Facilities, the Maintenance Supervisor is responsible for the troubleshooting, repair, and the safe/effective ongoing operation of the airport's airfield, facilities, equipment, buildings, and grounds. This position plans, coordinates, schedules and supervises the work of airport maintenance crew members and outside contractors and vendors as required to maintain/operate the airfield, structures, and grounds of the airport and performs related work as required.

The ideal candidate will have a bachelor's degree and a minimum of five (5) years of combined training or experience in the maintenance and operation of public buildings and grounds. Prior maintenance experience at a public airport is preferred.

The Authority offers medical, dental, vision and life insurance and participation in the Illinois Municipal Retirement Fund. Salary range is \$63,300 - \$74,694.

Please provide a cover letter, resume, and a list of 3-5 professional references to Madison Plesko at madison@cira.com. **Deadline for applications is Monday, July 6th.**
